

Happy Music

This school year we are honored to offer classes through the Wayland Public School system. We are very excited to provide our group lessons to you and your children. Our programs provide musical and developmentally appropriate learning for children of different ages to *"learn music by making music."*

Our program is unique and includes learning the sound of notes with hand bells. Children will sing, play musical games, use hand percussion instruments, and learn the names of orchestra instruments. Through playing xylophone, children learn how to count beats and read musical notes.

Children will learn and recognize different components of music and actually be able to **READ MUSIC**. This program prepares children for further private instruction in musical instruments.

Tuesday 1:15 - 2:00 pm Oct. 12 - Nov. 16 (6 weeks) \$108
Preschool, Ages Four & Five – class held at Loker School

We also provide private piano, guitar, vocal, flute, and recorder lessons in our studio at 76 Main Street, Wayland MA 01778.

Please check our website at www.happymusicstudio.com or call (508)-308-9141.
